N. Clayton Croy, *A Primer for Biblical Greek*

WORKSHEET — Prepositions — Lesson 6

1. A preposition expresses a relationship between a \_\_\_\_\_ or \_\_\_\_\_ and some other part of the sentence.
  
2. Some Greek prepositions are used exclusively with one case; other with two; a few with three. Most importantly, the prepositions that are used with more than one case may have different meanings with different cases. It is essential, therefore, that the meanings of these prepositions be learned in conjunction with the particular cases.
  
3. Prepositions in every language tend to be highly \_\_\_\_\_.
  
4. Define Elision: \_\_\_\_\_  
\_\_\_\_\_
  
5. Define Aspiration: \_\_\_\_\_  
\_\_\_\_\_
